Student Contract

This contract is between Xaxli'p Education and the undersigned student for the purpose of acquiring financial assistance for educational sponsorship.

1. I have provided true and full statements in this application
2. I am liable to return money to Xaxli'p in the event that anything in this application, or which I provide in support of this application, is false, or if I withdraw from the course or program prior to the completion of the program.

Student obligation and responsibilities

3. Student is responsible for completing and signing the consent to release personal information form at the university applying to and forwarding a copy to sponsor agency.
4. Student is responsible for completing and signing the consent to release form at other funding source office such as Human Resource offices, unemployment offices, student loans etc.
5. Student is responsible for their account balance at all times. Student is responsible for sending their invoices to sponsor agency. Sponsor agency will not be responsible for any invoices after program/course is completed.
6. Student must provide sponsor agency with a copy of transcript and completion certificate upon completion of program/course.

Failure to comply with the above terms may jeopardize my eligibility for sponsorship.

Declaration (Read before Signing)

I clarify that the statements made by me in this application are true and complete to the best of my knowledge. I understand that if any false statements are found, this application may be rejected.
