ECONOMIC DEVELOPMENT OFFICE

Notice to Residents of Work being Completed at Kwotlenemo Lake Recreation Site

Please note that there will be general maintenance and upgrades to the North side of Kwotlenemo Lake Recreation Site, beginning on or around the week of May 15th. These upgrades are to be carried out for the safety of Xaxli'p community members and guests visiting the Recreation Site.

These upgrades will be completed by the Ministry of Environment and Climate Change Strategy, BC Parks, Recreation Sites and Trails Division and their contractor and were approved by Chief and Council at their April 25th Meeting.

Scope of Work:

- Hardening of existing sites by adding gravel to roadway and camp pads
- Replacement of deteriorating picnic tables
- Installation of fire pits/rings
- Outline camp pads with either rail segments or large boulders

Further to these upgrades, the existing deteriorating outhouses will also be replaced with two new sealed Universal Access Pit Toilets, however this work will be completed later in the year and notice will be given before these upgrades take place.

If you have any questions about the work being completed, please contact Andrew in the Economic Development Office:

Xaxli'p Education

Education Manager: Brittany McKay

It has been a very busy year thus far. Education Department has been collaborating on different projects along with keeping up with regular, daily tasks. Hosting Parent meetings, attending various Education meetings, workshops and trainings, tracking high school attendance, building rapport with students, administering Post-secondary funding and services, report and proposal writing, as well as continuous work regarding our Local Education Agreement (LEA) with the School district. Upcoming activities will include finalizing a new LEA, recognizing our grade 12 and post-secondary graduates, Updating and finalizing the Post-secondary Policy, conducting research for a private school, curriculum, and jurisdiction options, St'at'imc Canoe Journey 2023, and Summer Students Positions.

Education Plan February—March 2023

Education teamed up with Project Manager Kandice Charlie. Various community engagement and focus groups were held to gather community input on what Xaxli'pmec would like to see for the future of Xaxli'p Education. The information provided is very valuable and a document will be created that Education can refer to when creating a workplan and developing a new LEA. Working with one of our very own Xaxli'pmec, Kandice, has been an awesome experience.

Career Fair March 16, 2023

Thank you to FNEESC for the grant funding to make this career fair happen, Thank you to Xaxli'p Health for your partnership and prize donations, Thank you to our former Youth & Events Coordinator, Deb Peters, for help with organizing this event, Thank you to the different organizations and universities that set up booths for the participants. Thank you to the amazing cooks. And thanks to Meghan at the Rec Centre for being so helpful!! We had 12 booths and 130 attendees. Attendees had the option of filling out a passport to enter a draw for great prizes. We would like this to be an annual event, and hope to partner with other communities in the future.

Gathering Our Voices Youth Conference March 22– 25, 2023

Education and Youth & Events Coordinator partnered up to bring 16 youth to the youth conference in Vancouver. The youth had a great time and were very interested in the University/career fair. They were able to attend workshops to gain new skills, learn and try new things, and connect with other youth from around BC. Many look forward to an opportunity to attend again next year.

New Jinan March 27-30, 2023

Youth & Events Coordinator and Education teamed up with Xwisten youth to bring in this amazing workshop. Youth had the opportunity to apply to take part in this music workshop to gain skills, learn how to write, produce, and record music. With the participants teamwork, they created an amazing song, which will be available and will have a music video available to listen to in the coming weeks.

Xaxli'p Housing

Public Announcement

We are working towards development of more multi units within our community to help with our housing needs. One major hurdle that housing faces is the lack of or limit on the available band land. Land that is ready to develop. With guidance and support of our Chief and Council, the lot available and suitable for more development is here on the main reserve.

We have begun to look into demolition companies to tear down and make room for housing at the

OLD HALL location.

Stay tuned for more information.

The Xaxlip Volunteer Fire Department & Pavilion volunteer Fire department received training by Reo Jerome of (FNESS) First Nation Emergency Services Society.

This is Reo Jerome;

- I am an indigenous person of Metis heritage
- I live in White Rock BC
- I enjoyed a 39 year career as a firefighter in Surrey
- I retired as a Battalion Chief in 2021
- I was a Training Officer with the JIBC for 30 years up to 2019, 15 of that as the Emergency Vehicle Operations Coordinator
- 20+ years as a Fire Services Instructor with FNESS

I enjoy sharing my knowledge with First Nations firefighters and community members. It is extremely meaningful work for me, and it is a privilege to be welcomed into communities to work with dedicated people who step up to help their community in time of need.

Drafting Operation (Pic. Taken by Reo Jerome)

The Volunteer Fire Department completed a four day program which include:

- preventative maintenance
- fire department communications
- apparatus maneuvering through a variety of challenging exercises on a pylon course, including, forward and reverse serpentine, alley docks, confined space turnaround, and diminishing clearance lanes
- driver operator responsibilities
- safe driving in the community
- emergency response procedures
- pump theory and pump operator trouble shooting procedures
- nozzle pumping pressures, volumes, friction loss, etc.
- pumping from booster tank and hydrant
- supplying sprinkler and standpipe systems.

It was an awesome training and experience. We are grateful to Reo Jerome of FNESS for coming to our community to share his knowledge & expertise with our fire fighters.

With your support we would like to see more members come join the fire department.

DISCLAIMER: TSKW'AYLAXW FIRST NATION IS NOT RESPONSIBLE FOR LOST, STOLEN OR DAMAGED PROPERTY

Human Trafficking is a crime in Canada.

When a person:

- **is forced to work or provide services she or he does not want to do**
- **is working for little or no pay under poor conditions**
- **has lost control and access to her or his passport and personal identification documents**
- **has restrictions on when and where they can go and what they can do**

she or he may be presumed to be a trafficked person.

The exploitation of trafficked persons can take many forms:

Sexual exploitation

Trafficked persons are forced to perform sexual acts including exotic dancing, strip tease, massage, production of pornography and prostitution. Trafficked persons are often lured and groomed by people posing as boyfriends or girlfriends.

Domestic servitude

Trafficked persons clean houses, do laundry and other domestic chores, care for children and elderly persons, must be available at all times and receive very little or no pay for their work. People exploited in domestic servitude are often physically and sexually abused.

Forced labour

Trafficked persons will work long hours, under unsafe and poor conditions for little or no pay in construction, agriculture, restaurants, or manufacturing. Trafficked persons can also be legally employed, but forced to hand over their earnings to the trafficker.

Time to Put your Bird Feeder Away

The BC SPCA generally recommends that we feed birds in the winter months. This means between April and September; we can take down the bird feeders temporarily. This doesn't mean we can't enjoy birds or support them in the summer months. It is just that there is an abundance of natural foods for birds during this time. Removing invasive plants and planting a variety of non-invasive horticulture varieties and native plants will attract birds to your yard and gardens.

Bird Friendly plants & shrubs include those that provide shade, shelter, and food. Shrubs like Prairie Rose and Mock-Orange can provide shelter from the heat of the summer months. Plants that produce seed like lupine and red columbine will provide food. If you leave a supply of dead leaves, dry grass, and pine needles on parts of your property, they will be used for nesting materials. Just be careful not to have too much of this dry material that can be a fire hazard.

Dark-eyed Junco

Grey Jay

Water sources & bird baths can be a great way to support our bird friends especially in our region. We are classified as a semi-arid desert and during the hot summer months, many sources of water dry up. The BC SPCA says that Avian influenza will not spread easily if you have running water and maintain bird baths well. This means keeping water sources cleaned and refilled regularly. You don't want them to start breeding mosquitos either! Bird baths that are similar to shallow puddles are the best. Use shallow plates or dishes.
