

# Xaxli'p Monthly Report

## October 2019

Highway 99 - Ten Mile Slide

## The Numbers

		Identified In Plan
Environmental Hours	344	Yes
Labour Hours with Flatiron	278	Yes
First Aid Hours	40	Yes
Equipment Operator Hours	30	Yes
Custodial Hours	17.5	Yes
Truck Support	240	No
Supervisor Hours	240	Yes
Labour Hours with Kan-Arm	396	Yes

In October, Triton Environmental was on site to train 4 members of the Xaxli'p community to become the environmental monitors for our Project

To ensure we had the required first aid coverage on site, we had a Xaxli'p member who holds their OFA Level 3 stand in for our first aid personl when she was offsite

Under the supervision of Flatiron foremen, two Xaxli'p members were trained on using the Loader

We worked closely with the two supervisors over the month of October to coordinate labour for all aspects of the project

Our sub-contractor Kan-Arm Contracting took on two Xaxli'p labourers during October
